

Fully Race Prepared Toyota MR2

Toyota MR2 fully race prepared, Built to complete in the Asia Classic Car Challenge.

Ideal for Track Days or Time Attack etc.

Presented in diamond white with striking red front and rear spoilers. This car was built with no expense spared costing in the region of 120K

The engine and Motec ECU have had extensive work carried out to be powerful yet smooth. The handling is a dream to drive, fast, nimble with power sliding on demand, the braking is very impressive.
